SICK NOTE REQUEST

Print, complete and place your request form in the black box outside the surgery entrance.

The Doctor may call you or arrange for an appointment. If you have already been seen by your doctor about your illness, your sick note will be ready within 2 working days. We will send a sick note to you via SMS.

You do not need a sick note for the first 7 days of an illness. Use the form on the government website to ask your employer for Statutory Sick Pay (SSP).
